## *Call for volunteers 2020*

The **Amsterdam Spanish Film Festival** (ASFF) is looking for volunteers who are film-lovers and can help us run the 6th edition of the festival.

SFF is a unique film exhibition initiative allowing people based in Amsterdam, Rotterdam & The Hague and broader Dutch audiences to discover and engage with a carefully honed selection of cinema from Spain and Spanish-speaking Latin America. SFF is launched, organised and solidly programmed by Sin Fin Cinema, and provides a showcase of new trends of mainstream Spanish cinema as well as focusing on independent, artistic and experimental Spanish films.

This 6th edition of the Spanish Film Festival will take place in:

- **Amsterdam (28 Oct – 1 Nov):** Pathé Tuschinski and Eye Filmmuseum
- **Rotterdam (4 – 8 Nov):** LantarenVenster and Pathé Schouwburgplein
- **The Hague (4 – 8 Nov):** Pathé Buitenhof

We offer you the chance to be part of a well-established festival with a very enthusiastic team. You will also have the chance to:

- watch all the curated selection of Spanish movies (with English subtitles);
- meet our prestigious guests (directors and actors);
- get an ASFF t-shirt;
- get free meals (corresponding to your shift);
- network with people from the Dutch cultural sector through the festival;
- and participate in all the events connected to the festival!

We are looking for volunteers with diverse interests and skills that can carry out different tasks. Most of the time, you will be hosting the events and you will be the face of the festival. Some of the tasks will be attending audiences' queries, ticket checking, assisting the coordinators with any production task, helping with the catering (serving wine and food). In general, helping with everything needed on location. Your shifts will be between seven and eight hours.

Would you like to join us? Tell us why you would like to participate, and send an e-mail to Sofia Murell at [coordinator@sinfincinema.com](mailto:coordinator@sinfincinema.com)

**Deadline call:** 2 October 2020.
